

6th Grade Student Information – Parent Input

Student _____ Male _____ Female _____

Current Elementary School: _____ Current HR teacher: _____

Over the summer, hundreds of students will be scheduled into a dozen instructional teams at GMS. In an effort to make the best assignment decision for every child, data and opinions are collected from three sources: the child, their previous year's teacher, and you, the child's parent. Please share your information and thoughts to assist us with this process. After assignments have been made this summer, this questionnaire will be given to your child's teachers.

Please, do not request teachers!

1. Is there any information specific to your family situation, which might be important to your child's teacher to know in order to serve him/her more effectively?

2. Name those students from whom your child should be separated in classes **(if possible)**:

3. Describe any talents, skills or interests your child has which would be of interest or help to their teacher (athletics, art, music, drama, writing, computers, travel, crafts, photography, etc.).

4. Did your child experience any academic difficulties this year? Yes____ No____. If yes, what suggestions do you have for your child's teachers next year to improve this situation?

6. Special services received or needs we should be aware of: (Please check those appropriate.)

ELL		GEIT		504 Plan	
IEP		My child does not currently receive support service but I am concerned about their success in middle			

7. Check any modifications listed below that were successful for your child in the past:

None were required	Shortened homework
Special seating in class	Peer –tutoring
Homework initialed by teacher	Behavior contract
Test retakes/modifications	After school tutoring
Oral testing	Summer school
Other: (specify)	

(OVER)

7. To which of the following teaching styles does your child respond best?

Lecture		Hands-on	
Co-operative Groups		Discussion	
Reading emphasis		Independent/research-based	

8. From this list: grammar, literature, math, reading, science, social studies, spelling & writing, indicate your child's:

most successful subject _____

least successful subject _____

subject in which most help is needed _____

my child needs to be challenged in _____

9. How would you characterize your child's personality traits? Check those that best apply.

Easy going		Responsible		Loner	
Introverted		Easily bored		Challenging	
Social		Headstrong		Forgetful	
Obedient		Extroverted		Inquisitive	

10. Medical issues of which your child's teacher should be aware:

(If your child has an emergency care plan or serious illness, please contact the school nurse at the beginning of the school year.)

11. On an average, how much time does your child work independently on homework each night?

12. On an average, how much time does your child work with an adult on homework each night?

13. Will you be able to occasionally assist with field trips, conduct exploratory classes, or participate in school activities with your child? Yes _____ No _____

14. If so, do you have a career, hobby, special interest, talent, collection or just time you would be willing to share with Grassland Middle School students?

15. Additional Comments:

Thank you for assisting us in our effort to serve your child.
